

BLACK LABEL

HAWKES BAY MERLOT CABERNET

2004

Deep red in colour, this stunning wine delivers the aromas of chocolate and mocha that fill the nose with a variety of berries and currants intertwined. The flavours are full of berries, plum and subtle French oak, with the pallet supplying fine grained tannins that give great length and structure.

A full bodied wine well suited to winter roasts and stews. Will cellar well under good conditions for the medium to long term.
