MORTON ESTATE

*Morton Estate is proud to have
been chosen as the official wine supplier for the
New Zealand Pre-Oscar party in Beverly Hills.*

*The judges agreed that the Non-Vintage Brut, White Label Chardonnay,
Marlborough Sauvignon Blanc and Hawke's Bay Pinot Noir were all
clear winners in their categories. Having already supplied the world
premiere of King Kong in New York, Morton Estate will once again
be the talk of the table in America.*

*Indeed it seems apt that such an award-winning wine was chosen for an
award-winning night - don't take our word for it though, pick up a bottle
of Morton Estate today and judge for yourself.*

In previous months Morton Estate has been very busy, some of this quarter's highlights include:
 Coniglio Tasting evening (above) - a great chance to try some of our premium wines.

Kihikihi Polo (above) - Was sponsored by Morton Estate on 10th February at the Kihikihi polo grounds.
 Bic Runga Concert at our Katikati Winery (below) - Saturday 17th February.
